3. The main objective of the workshop is to strengthen awareness, responsibility and care of the

14-20 SEPT EYDFC 2015

Empowering Youth for Drug-Free Community

INTRODUCTION

The 'Empowering Youth for Drug-Free Community' Project is a programme organized by Universiti Sains Islam Malaysia (USIM) through Asian Centre for Research on Drug Abuse (ACREDA) on awareness to address the worsening situation of drug abuse among youth. The main objective is to provide information and knowledge on education and prevention, treatment and rehabilitation programme of drug abuse.

BENEFITS

This project aims to strengthen the awareness, responsibility and care of society especially among the youth in providing any form of assistance in terms of emotional, psychological, spiritual and physical in understanding the process of prevention, treatment and rehabilitation of drug abuse. This project will subsequently open opportunities for the participants to improve their knowledge and give exposure in dealing with problems related to substance abuse.

TARGET GROUPS

Student leaders, associations, clubs, groups and individuals who are concerned with social and drug abuse issues.
